

Active Reading Mentor Training

What is Active Reading?

Active Reading is a different way of reading a children's book. It involves reading a book *with* a child rather than reading a book *to* a child.

Sign up for an Active Reading Mentor Training!

Learn strategies that you can use to support literacy at home or in the community! Discover how to use the ABCs of Active Reading one-on-one with a child in grades K-3. These research-based practices can improve the shared reading experience between a child and a parent, grandparent, or reading buddy.
